Forward-looking Statements

This presentation and any information communicated during any delivery of the presentation and any question and answer session and any document or material distributed at or in connection with the presentation (collectively, the “Presentation”) may contain forward-looking statements relating to the business, operations and financial conditions of Palmer Square Capital BDC Inc. (“we”, “us”, “our”, or the “Company”), including but not limited to current beliefs, expectations and assumptions regarding the future of our business, future plans and strategies, and other future conditions. Words such as, but not limited to, “anticipate”, “believe”, “could”, “estimate”, “expect”, “intend”, “may”, “objective”, “outlook”, “plan”, “potential”, “predict”, “project”, “should”, “will”, “would” or the negative of those terms, and similar expressions that convey uncertainty of future events or outcomes, identify forward-looking statements.

These forward-looking statements reflect management’s beliefs and views with respect to future events and are based on estimates and assumptions as of the date of this Presentation and are subject to risks and uncertainties. Factors that may cause actual results to differ materially from current expectations include, but are not limited to: the Company’s ability to identify attractive investment opportunities; changes in interest rates; regulations governing the Company’s operation as a business development company; the operating results and financial condition of the Company’s portfolio companies; the adequacy of the Company’s protections with respect to its loan portfolio; changes in political, economic or industry conditions, the interest rate environment or conditions affecting the financial and capital markets, including the liquidity of certain banks; uncertainty surrounding the financial and political stability of the United States, the United Kingdom, the European Union and China, the conflict in the Red Sea and the conflicts between Russia and Ukraine, and between Israel and Hamas; disruptions related to tariffs and other trade or sanctions issues; the impact of fluctuations in interest rates and foreign exchange rates on the Company’s business and its portfolio companies; rising levels of inflation, and its impact on the Company, its portfolio companies and on the industry in which the Company invests; and risks relating to economic recessions or downturns. Moreover, new risks emerge from time to time and it is not possible for management to predict all risks, nor can the Company assess the impact of all factors on its business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements we may make. More information on these risks and other potential factors that could affect the Company’s financial results, including important factors that could cause actual results to differ materially from plans, estimates or expectations included herein, is included in the Company’s filings with the Securities and Exchange Commission, including the factors set forth as “Risk Factors” in the Company’s annual reports on Form 10-K and quarterly reports on Form 10-Q. Given these uncertainties, you should not place undue reliance on these forward-looking statements. The Company qualifies all of the forward-looking statements in this Presentation by these cautionary statements. Except as required by law, the Company undertakes no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

This Presentation contains statistics and other data that has been obtained from or compiled from information made available by third-party service providers. We have not independently verified such statistics or data. This Presentation is neither an offer to sell, or a solicitation of an offer to purchase, an interest in the Company. The information presented in this Presentation is as of September 30, 2025, unless indicated otherwise.

Research Biases and Philosophy

Palmer Square Capital Management believes active management in fixed income is paramount, and that by combining our depth of experience and strong research capabilities, we can seek to not only capture yield, but also total return.

In everything we do, we subscribe to three key pillars

1

Focus on
Higher
Quality
Assets

2

Minimize
Interest
Rate
Duration

3

Maintain
Liquidity
Where
Possible

PSCM's investment philosophy has been consistent throughout multiple credit environments and has always been underpinned by the Firm's core competencies of locating relative value across corporate and structured credit, and granular, bottom-up fundamental credit analysis.

Investment Strategy

Attractive risk adjusted returns through a highly liquid strategy

Market Segment	Liquid, Leveraged Loan Market & Large Cap Direct Lending Market	Investment Criteria ✓ Loans with an average overall deal size greater than \$1 billion ✓ Priority position in the capital structure ✓ Small to large private U.S. companies with higher recurring revenue and high customer retention rates
Asset Focus	Senior Secured, Floating Rate	
Borrower Focus	Companies with strong structural protections, limited downside, and low long-term beta	

Consistent investment philosophy throughout multiple credit environments underpinned by core competencies: **locating relative value** and granular, **bottom-up** fundamental credit analysis

Large Addressable Market Opportunity

Strong near- and medium-term supply as issuers continue to access the market for refinancings and long-term supply as private equity dry powder gets deployed
